

Dr. Zou Haifeng, Chairman of SMIC Co., Ltd., said, "With the support of our customers and colleagues, 2018 annual revenue grew 8.3%, which was the fourth consecutive year of growth, and represents a record high. Q4 2018 revenue was flat year over year; meanwhile, China revenue grew 12% YoY. Looking into 2019, our full year core business revenue growth target is in line with the foundry industry growth rate; however, based on current visibility, Q1
